

180R-1.8 | Long reach pruner

Long reach Professional pruning shears with lightweight aluminium handle. The blade is made of hardened steel, chrome steel, and is therefore more rigid and resistant to rust. The handle is rotatable 180 degrees, and because of this you can cut branches in a hard to reach angle. With an extra strong blade for added strength.

SKU:

ARS180R-1.8

Weight:

695 gram

Length:

1817 mm

EAN code:

4965280735218
