21000860 | Staple gun

Light, easy to handle staple gun for DIY and home projects or easier professional jobs. Made in tough, robust plastic, users appreciate features such as high performance, long working life and its ability to cope with regular use. The R64E's 2-step force adjuster can be set to reflect different types of material and the length of staple being used. The perfect solution for tasks such as fastening thinner boards or material such as insulation, damp proof coursing, plastic wrap, labels, cardboard, paper or other items that demand high levels of fastening.
