

K-5750 | Lopper

Blades made of high carbon, hard chrome plated steel to keep that sharp edge longer. Forged steel design for greater strength and durability. Handles are made of aluminium to keep the weight down and the built in double rubber bumpers and great hand grips reduce shock load to make it easier on your wrists and hands. Cutting blades are replaceable.

SKU:

K-5750

Length:

700 mm

Weight:

950 gram
