

5001594 | Battery-powered pruning shears

A professional, compact and efficient pruning shear with a maximum cutting thickness of up to 32 mm. The cutting capacity is adjustable in 2 positions; 15 mm and 32 mm, more efficient work with both small and large branches. High-quality cutting blades for better cutting quality and longer life. The ultra-compact battery ensures total freedom of movement during use. The BHX30 comes with two batteries and a quick charger that can charge 2 batteries. Each battery takes less than 2 hours to fully charge. The 2 batteries have a total capacity of approx. 3000 cuts per charge. The battery is compatible with the BHX50 binding machine and the BHX30 pruning shears.

SKU:

R5001594

Weight:

900 gram

Length:

285 mm

EAN code:

4051661039904
