

160R-1.8 | Long reach pruning shears | 1817 mm

The ARS 160R-1.8 is a professional long-reach pruning shear of premium Japanese quality. With a fixed length of 180 cm, it offers excellent reach for working up to approximately 3.5 meters without a ladder. The angled cutting head features a Cut & Hold mechanism, which securely holds the branch or stem after cutting...
