

180-2.4 | Long reach pruning shears | 2400 mm

The ARS 180-2.4 is the longest pruning shear in the professional ARS 180 series. With a fixed length of 240 cm, it offers an exceptional reach, allowing pruning up to around 4 meters in height — without using a ladder. The narrow cutting head provides precise, clean pruning for a wide range of crops and applications...
